Subject: Formal Approval of Notice of Intention to Commence Large Mining Operations and Form and Amount of Reclamation Surety, Lakeview Rock Products, Inc., Thomas Pit, , M0110002, Task # 1615, Davis County, Utah

Dear Mr. Russell:

On December 13, 2006, the Division Director approved the form and amount of reclamation surety and the reclamation contract for the Thomas Pit.

The Division now permits you to begin mining operations as outlined in your large mining notice of intention, provided you have complied with all other surface and mineral ownership requirements. The surety will be reviewed periodically to assure that the bond remains adequate.

Enclosed are copies of the signed and executed Reclamation Contract and surety bond forms for your files. Also enclosed is a copy of the "approved" Notice of Intention to Commence Large Mining Operations for your files. If in the future, you wish to modify your mining and reclamation plan, please furnish a redlined and strikeout version of the page(s) you wish to change and indicate how these are to be incorporated into the current approved plan using Form MR-REV-att, which is located on the web at www.dogm.utah.gov.

Thank you for your help and patience in finalizing this permitting action. Please call me if you have any questions in this regard.

Sincerely,

for Susan M. White
Mining Program Coordinator
Minerals Regulatory Program
